

# FALL 2020 NEWSLETTER

## Fall 2020 Message from Vice President, Curtis Reynolds

Hello Business Affairs,

As we continue to sustain strength in the fight against COVID-19, I ask for Business Affairs to continue to wear face coverings when physical distancing is not possible in and outdoors. Gator Nation will see COVID-19 behind us if we continue to help the Screen, Test, and Protect initiatives.

I would like to remind everyone how much I appreciate your hard work and efforts. Your contributions to service are not unnoticed as you have seen UF climb to #6 Public University ranked by US News and Report.

Continuing with celebrations, join me in congratulating six employees who have been with UF for more than 40 years! Roxanne Moody, of Business Services, exceeds 45 years of employment with Business Affairs.

Thanks to everyone participating in the University Multicultural Mentor Program this year. Thirteen staff members from units and departments within Business Affairs have connected with freshmen students. They will be utilizing Zoom for their meetings. I encourage you to share your skills and knowledge with others, whether it be through UF's mentor programs or within your units. I am a believer in sharing knowledge, and this is a wonderful opportunity for you to give back to the Gator community. Mentoring is always very fulfilling.

## Note of sympathy.

Join me in remembering those who have worked within Business Affairs and have lost their lives or loved ones within the past six months (not COVID-19 related). These lives will forever be in our hearts, as we will continue to pray for peace and strength.

Thank you for reading my letter and I hope to see you all (in masks or on Zoom) soon.

Go Gators!

## Forgot your face mask at home?

The University of Florida and its vending partner, Canteen, are offering disposable masks and hand sanitizers for sale in over 50 vending locations across campus. These machines are located in academic and administrative buildings, student residence halls, and recreational facilities. Hand sanitizing stations are installed at these locations for convenience.

An individually wrapped disposable mask will be sold for \$1.50. Hand sanitizer will cost \$3.50 for a 4 oz. bottle. Students and staff members will receive a \$0.50 cent discount on these PPE products when using their Gator 1 Card.

## News Around Business Affairs

### Norman Hall Receives LEED Gold!

The project preserved over 95% of existing exterior wall, foundations, floors and roof deck. Additionally over 80% of construction and demolition materials were diverted from our local landfills. The building installed a new roof, windows, HVAC, plumbing, LED lighting all to improve the building's energy and water efficiencies. Additionally, indoor air quality has improved through the selection of finish materials that minimize offgassing.

### UF Print Shop

Don't have a printer at home? The UF Print Shop is accepting orders online and by phone. Please email [jstricklin@ufl.edu](mailto:jstricklin@ufl.edu) or call 352-392-1134 to discuss your order.

### Gator 1 Card

The Gator 1 Card office will process new and replacement Gator 1 Cards through its online portal. Faculty and Staff are to work with their department's ID Card Authorizer to place a request for a Gator 1 Card. Please email the Gator 1 Card team at [gator1card@bsd.ufl.edu](mailto:gator1card@bsd.ufl.edu) for questions or other arrangements.

### O'Connell Center Receives LEED v4 Silver Certification

This is UF's 2nd LEEDv4 certification on campus (10th in the state) and is so significant to the University as it blazes a trail for future campus projects and other arena/multipurpose facilities nation-wide. THIS project is UF's 88th sustainable building project perpetuating UF's leadership in green building design and construction for public higher education institutions, nationwide!
