Terms of Agreement

The University of Florida Police Department (UFPD) provides the opportunity for private citizens to contract additional law enforcement services with off-duty police officers or police service technicians (if applicable to requested duties). These services may include traffic control, crowd control, uniform security assignments, and other services for a private or public employer, as approved by the Chief of Police. All extra-duty assignments are governed by applicable Florida Statutes, UF Regulations, and UFPD Policy. Law Enforcement Officers performing an extra-duty assignment do so as sworn officers and will not ignore law violations committed in their presence. Every effort will be made to provide staffing to your event; however, there is no guarantee that the extra-duty assignment will be staffed.

For **Internal** Organizations (Organizations funded directly by the University of Florida):

- Payment will be rendered within **10 business days** after date of invoice. UFPD accepts payment for internal clients in the form of Checkfields.

For **External** Organizations (Organizations funded through any other means):

- Payment will be rendered within **30 calendar days** following your event. UFPD accepts the following forms of payment:
 - Check/Money Order made payable to University of Florida Police Department

If an event is to be canceled, the requester of the event is required to contact UFPD Communications at 352-392-1111 **a minimum of 3 business days prior to the date of the event** so proper notification can be made to the personnel that has been scheduled. If an event is canceled within 3 business days of the event date, the requester will be charged 10% of the contracted fee. **If the requester fails to cancel the event, they will be charged the 3 hour minimum for each requested personnel.**

You or an organization representative will be asked to sign these terms as an agreement to abide by them prior to staffing occurring for your event.
